BROTHER ANDREW HAYES

Dedication

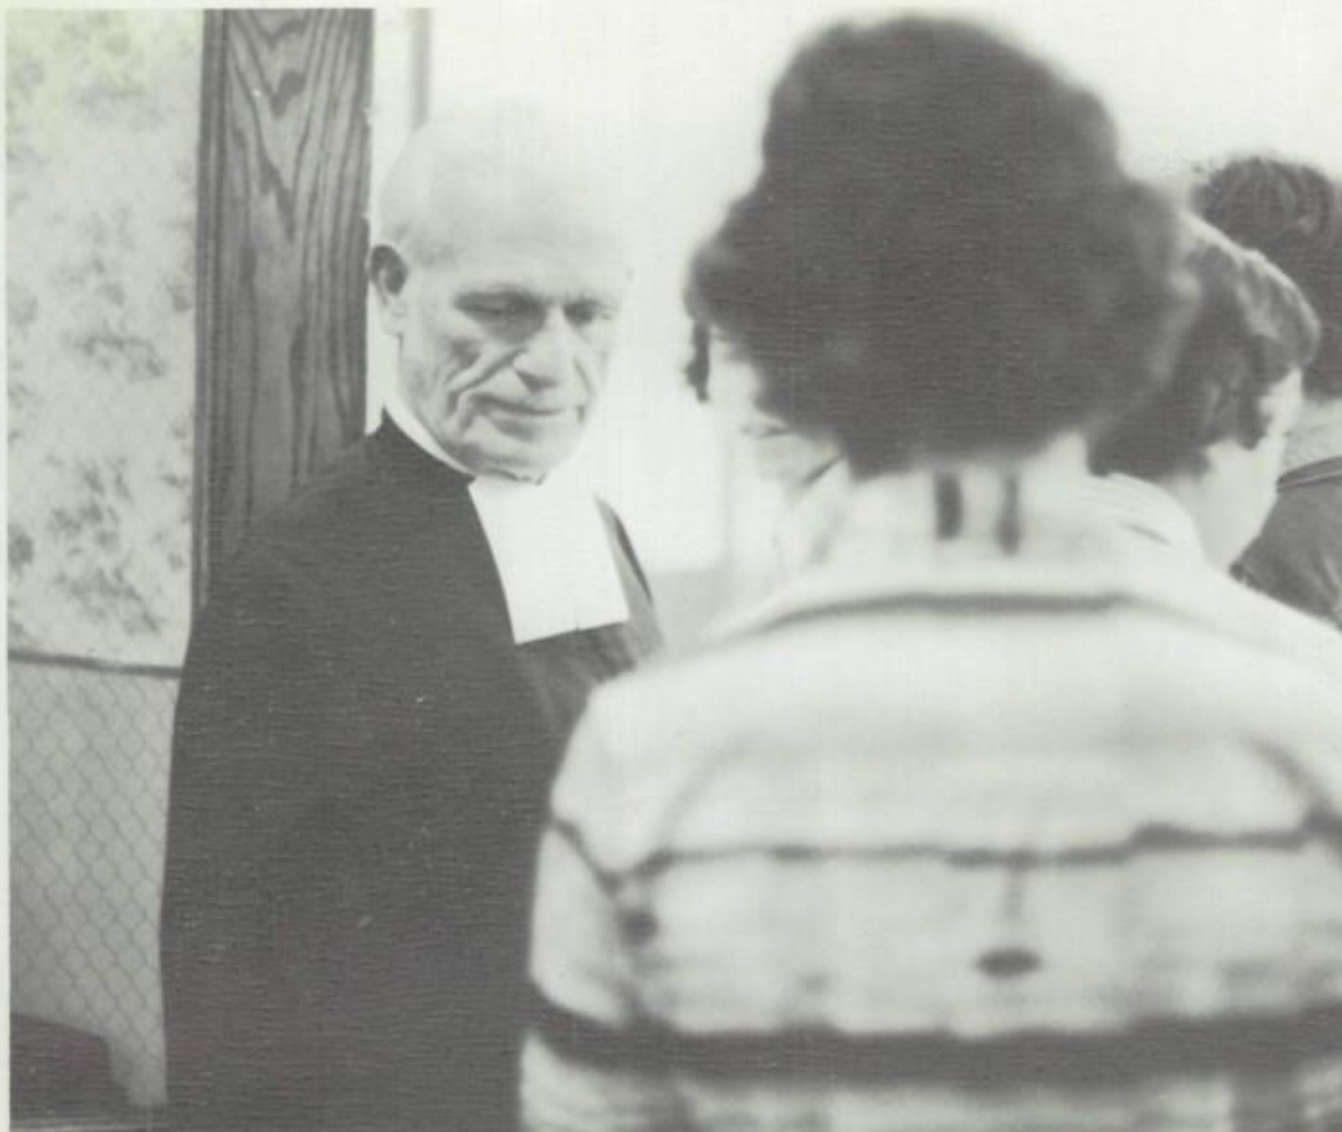

One of the highlights of the life of a Religious is the occasion of his twenty-fifth or fiftieth anniversary as a member of his congregation. We at LaSalle are pleased to celebrate along with four of our Christian Brothers who this year mark their jubilees. Brother Andrew Hayes and Brother Michael Bahen are in their fiftieth year as followers of St. John Baptist de La Salle; Brother Joseph Irwin and Brother Henry Betz are happily completing twenty-five years in the vineyard of the Lord.

Literally tens of thousands of students and dozens of schools of all kinds have benefitted from the diverse talents and temperaments of our four honored Brothers. Their kindness, helpfulness and enthusiastic response to the demands of education have earned them the gratitude and respect of all whom they have served. We of the class of 1977 join this legion and proudly dedicate our LaSallite to Brothers Andrew, Michael, Henry and Joseph.

When Latin was in vogue in the church, the phrase "ad multos annos" was frequently used on such occasions as this, a reward and congratulations "for many years" of dedicated service. It is truly appropriate at LaSalle this year. To our honored Jubilarians, "ad multos annos" for a century and a half of Christian service.

FACULTY

BROTHER KEVIN GILHOOLY, FSC
Principal of La Salle Academy
PTA Moderator
B.A. Catholic University
M.A. Manhattan College
M.A. Notre Dame University.

This marks Brother Kevin's sixth and final year as Principal of La Salle Academy. We would not want him to move on without a word of praise. In one of the most difficult periods ever faced by American education, Brother has guided the ship La Salle through a smooth course. He introduced the computer course which is now the envy of many schools; he led us through the difficult time of experimentation through Individualized Instruction and saw us emerge a stronger school. He developed the Honors Program now entering its third year. He put La Salle on a strong financial basis when many parochial schools are foundering. Brother managed all this while teaching math and physics himself, having a good word to say about all, and occasionally chaperoning a ski trip. Brother Kevin's plans for the coming year are not definitely set, but we are confident as much success lies ahead of him as he has achieved at the fortress on Second Street. The LaSALLITE, speaking for the entire LaSalle family, wishes Brother Kevin Gilhooly good luck, good health and Godspeed.

American Home Project

The Religion Program at LaSalle operates under the premise that education in the Christian Religion takes place outside the classroom, in the world of the needy, as well as with books and theories. To that end, during the Junior year these and most other students spent a double period every week visiting the aged and lonely at the American Home, 6th Street and Avenue B, to make real the Gospel message.

Constructing a school yearbook is a long (but pleasant) task which hopefully also pleases our many readers. We, the editorial staff of the 1977 LaSALLITE, gratefully acknowledge the contributions of the following individuals who made it a much easier task:

Brother Kevin, Brother Henry Betz, and Brother Thomas Kelly for their encouragement and patience;

Mr. Garry Schmeelk of the Taylor Publishing Company;

Mr. George Rubens of the Lorstan Thomas Photography Studio;

Our senior teachers who were so liberal with their time and extensions of overdue work;

The many who aided in the taking and printing of pictures, but most particularly Brother James Kelly and Mr. Dennis Healy;

Most of all our moderator, Mr. Thomas Moore, who taught us what to do, planned and organized the work, and always seemed to have the answer to the problem which we thought was insurmountable.
